

Top **11** Reasons to Choose

Because we couldn't narrow it down to just 10.

1. A Great Overall Value

Value is not just measured in dollar amounts. Value is also the peace of mind knowing that when you need someone, Network Health is there to help. We make your life easier.

2. Outstanding Reputation

It's not often you hear a company say they love their health insurance, but we hear it all the time. Members rate us higher than Wisconsin and national averages in several categories, including quality and customer service.

3. Account Support at Your Fingertips

Every employer group is assigned a dedicated and knowledgeable client manager. Quality service and answers to questions are always just a phone call or email away.

4. We Are Here for You (But don't take our word for it)

Our calls are answered within **30 seconds 90.99 percent** of the time.

Network Health has been our insurance company for around 30 years, and I honestly couldn't be happier with them. – Don K., Best Craft Furniture

5. High-Quality Providers

Network Health's high-performing provider network offers **2,400+** primary care doctors, more than **19,000 specialists** and over **55 hospitals** throughout **25 Wisconsin counties**. We work closely with some of the highest-quality providers in the state, including Froedtert Health, ThedaCare, Children's Wisconsin, Ascension, Prevea, Bellin Health, SSM Health and more.

6. Trusted Experts

We've been around the block a few times. For four decades, we've been trusted experts, offering a different kind of health insurance that puts clients and members first. We do what's right, even when it isn't easy. And we take extra steps to make health insurance affordable and understandable. It's just who we are.

7. Real Wisconsin Customer Service

We believe you shouldn't be waiting on hold, pressing buttons and listening to recorded messages when you have a question. At Network Health, you'll talk to a real person in Wisconsin who knows your insurance.

8. A Pharmacy Team Like No Other

Not only do Network Health members have access to an extensive pharmacy network, our members can call or email Network Health pharmacists directly. Our local pharmacists can help with formulary questions, our medication therapy management program, medication comparisons, cost comparisons and more.

9. Coverage for a Lifetime

As a local, provider-owned health plan, we promise to be your health and wellness partner, helping you flourish in every stage of life. And we make it easy for employees when they are ready to retire. With several 5-Star Medicare plan PPO options available in 2025, we make the transition to retirement easy with no gap in coverage.

10. Network Health Extras

Sure, Network Health provides quality health plans at an affordable price. But there's more. Things like pharmacy benefits and online tools, care management programs for people transitioning from hospital to home, health coaching, condition management to empower people with chronic conditions, virtual visits, member resources, and more extras we couldn't fit on this page.

11. Easy-to-Use Wellness and Fitness Programs

Our wellness programs help reward you for making healthy choices. We provide the tools, resources and services needed to improve your overall health. Wellbeats, our digital fitness benefit, delivers online, on-demand fitness classes, nutrition demos, recipes, goal-based challenges and more.
